

Thank you for allowing the Iron Horse half marathon to be held in Midway! I have lived in Lexington since 1997 and only been to Midway a few times. However, after this weekend and seeing how beautiful the town is, my wife and I plan on visiting for dinner in the next few weeks.

I know it is tough to close streets and roads just for a race but I think a lot of people got to see the Bluegrass at its finest in October.

Thank you for sharing your town with me.

Cheers,
Tim
