Regular Meeting
Monday
5:30 p.m.

The regular meeting of the Midway City Council was called to order by Mayor Grayson Vandegrift and the following council members were present: Mayor Grayson Vandegrift, Libby Warfield, Steve Simoff, Kaye Nita Gallagher, John McDaniel, and Bruce Southworth.

Council Member Sara Hicks was not present for the meeting due to family illness.

Motion by Council Member John McDaniel and seconded by Council Member Kaye Nita Gallagher to adopt the January 3, 2017 regular meeting minutes. Motion carried 5-0.

John Holloway, City Park Manager - Spoke with the Council in regards to the City Park. Changes that have been made over the last year and a list of upcoming ideas the Park Board would like to see worked on for the 2017 season.

Cemetery Rules – There is much discrepancy with the rules being broken for items placed at the cemetery. One major concern is about benches, solar lights, etc. Mayor Grayson Vandegrift has suggested that the Cemetery, City Property & Blighted Property Committee can meet to get ideas on paper and make a final recommendation to the Council.

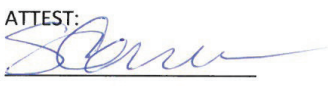

There is a prefab building at the Cemetery at this time that houses any items that the City removes from graves for a period of time so that owners may retrieve them. That building is open during normal City Business hours.

Cemetery House – There were no bids received to relocate or tear down the cemetery house.

Council Member Bruce Southworth motioned to adjourn the meeting at 6:12pm seconded by Council Member Kaye Nita Gallagher. Motion carried 5-0.
